Many a Friend Recommends

BLACK-DRAUGHT

People who have taken Black-Draught naturally are enthusiastic about it because of the refreshing relief it has brought them. No wonder they urge others to try it.... Mrs. Joe G. Roberts, of Pottersville, Ala., writes: "A friend recommended Black-Draught to me a long time ago, and it has proved its worth to me. Black-Draught is good for constipation. I find that taking Black-Draught prevents the bilious headaches which I used to have".... A purely vegetable medicine for the relief of

CONSTIPATION, BILIOUSNESS

Time Lost is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.

How many times do Gas on Stomach, Headache, Sour Stomach, "That Tired Feeling," That "Morning After" Feeling, Neuralgic, Rheumatic, Sciatic, Muscular or Periodic Pains keep you at home or interfere with your doing a full day's work?

All these troubles are caused or made worse by too much acid in your body. To correct this condition take

ALKA-SELTZER

The New Pain Relieving, Alkalizing, Effervescent Tablet.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer is pleasant to take, effective, non-laxative.

Why don't you try it? Get a drink at your drug store soda fountain for a nickel. Buy a package for home use.

REPORTER-PHOTOGRAPHERS, hundreds of them, constantly scour the world for "shots" that will make a news highlight more real . . . more interesting . . . more understandable. The single, business-like click of a camera and a thousand-word story is captured, all in an instant, to be presented in a manner more graphic than the words themselves could ever attain.

The scenes these men photograph number into the thousands daily. From this great number a careful selection is made. The chosen pictures, designed to aid you in the visualization of important news events or "human-interest" occurrences and individuals, are regularly offered by this newspaper.

This is our answer to a modern public's demand upon a modern newspaper for pictures of places, persons and incidents of world-wide interest.

Red Cross Aids 100,000 Families In Flood-Stricken Eastern

Left—A ton of baby food and blankets for infant flood refugees at Sunbury, Pa., sent by air. Upper right—Saddened by their plight little orphans of the storm sup at Red Cross food station in Pittsburgh. Lower right—Warm clothing was needed in Pittsburgh when zero weather followed floods.

THE appalling floods that swept over eastern states during the middle of March caused the American Red Cross to take under its care more than 100,000 families in thirteen States. Pennsylvania was hardest hit, and in the cities of Pittsburgh and Johnstown the Red Cross either fed, sheltered or clothed 117,000 persons. The suffering was famous, because added to dolorous tales over other places. Trucks with water, medicine, food, clothing were rushed into many towns. Amateur radio operators told the outside world over short wave sets what the true conditions were.

Within a few days the Red Cross had more than 200 relief workers and 200 Red Cross nurses in all of the communities in the thirteen States which had suffered from flood waters.

Admiral Cary T. Grayson, Chairman, and President Roosevelt, who is relief fund of at least $2,000,000 would be needed. President Roosevelt addressed a proclamation to the nation asking for liberal contributions. When doubts the number of families came under care of the Red Cross than had been anticipated. Admiral Grayson urged that this figure not be exceeded to the responded by doubling their goals.

Citizens were urged to to their local Red Cross Cor the flood emergency. Cross prepared to restore lies to their homes and that their workers could the relief job for several

San Carlo Opera To Be In Richmond

James River Association Group Meetings Planned

(Special to Times Virginian)

Richmond, April 22.— The San Carlo Opera Ballet, with its two skillful premier dancers, Lydia Arlova and Lucley Prideaux leading the group of beautiful young dancers, will be a brilliant feature of the operas to be given during the week of May 4 to 9 in eight of the operas.

The only opera of the week that will be given without the ballet is "Madame Butterfly", the Saturday matinee, May 9. There will be a special ballet programs following the matinee operas on Tuesday and Thursday afternoons, affording a double bill.

Particularly sensational is the ballet in "Aida"; two two of the splendidly executed ballet numbers are brilliant high lights of the performance, particularly the second one which featured the the two solo dancers. Miss Arlova and Mr. Prideaux always "stop the show" at this point; their bodies painted in silver and gold metallic paint, respectfully, they present a sensational effect.

Something worth remembering ....

The past few years have brought to us amazing relief programs. Times were desperate and perhaps justified unusual measures.

But the Naked Truth is this:

No person or set of persons, not even Uncle Sam or F. D. R. can or will take care of you very long.

Nothing.... nothing will take the place of a SAVINGS ACCOUNT.

Money in bank gives you a sense of security nothing else can give. Be thrifty. Be independent. Start now to save.

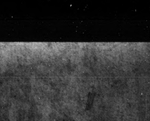
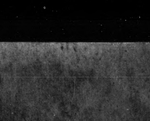
★ TOBACCO FERTILIZERS MADE OF NATURE'S TREASURED PLANT-FOODS



FROM THE SEA

WE use tons of fish scrap in Robertson's Proven Fertilizers and the manure of fish-eating birds. They supply plant-foods in forms no chemist can imitate.

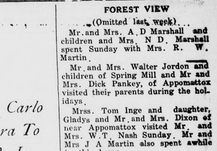


FROM THE SOIL

COTTONSEED-meal, rich in Nitrogen, Phosphoric Acid and Potash, is generously used in Robertson's Tobacco Fertilizers. It nourishes the crop constantly.

FROM THE MINES

THE bones of prehistoric animals are mined and turned into superphosphates to supply the phosphoric acid that crops need.



FROM PACKING PLANTS

IN blood and tankage are recovered the elements that grew the feed for livestock. We use them regularly in Robertson's Fertilizers.

DON'T TAKE CHANCES. USE THESE MAGNESIA-RICH—THOROLY CURED—BETTER INGREDIENT—FERTILIZERS

To prevent damage to the leaf from frog-eye and sand-drown, we use large quantities of Sulphate of Potash Magnesia. We put in Muriate to give body and weight. Then we add dolomitic limestone and "cure" the mixtures. This makes the magnesia available. Our Tobacco Mixtures contain one-half organic nitrogen and one-half mineral—proven best by years of test.
